

ARE YOU A FACILITATOR INTERESTED IN PSYCHEDELIC SAFETY?

Help shape the future of psychedelic research!

IRB Approved: 12/11/2024

Oregon Health & Science University invites facilitators and their clients to participate in groundbreaking research on psychedelic services.

WHY GET INVOLVED?

- Contribute to research on psychedelic safety and outcomes
- Help shape the future of evidence-based services
- Strengthen the community's understanding of psychedelics - there are no benefits to you, directly

WHAT DO I HAVE TO DO?

- 1 Complete a 10-minute survey about yourself**, providing information like your education, personal use of psychedelics, etc. You'll receive a \$75 gift card for this.
- 2 Spread the word to your clients:** We're asking them to participate in research too.
- 3 For each client** who signs up, you'll fill out a **5-minute survey** about their psychedelic session. You'll receive a \$50 gift card each time you do this.

HOW IS MY DATA PROTECTED?

- **Security & Privacy:** We use state-of-the-art technology to make sure all of your information remains private. This study has passed all of OHSU's strict security checks.
- **Ethical:** Research is always voluntary, you can change your mind and withdraw at any time.
- **Confidential:** Your identity is never revealed to anyone, unless required by law (e.g., in the case of child or elder abuse, or threats to harm yourself or others).
- **Federal Protection:** A federal Certificate of Confidentiality protects your privacy, even from court orders.

HOW DO I PARTICIPATE?

- All psychedelic facilitators aged 21 and over are welcome to participate by filling out online surveys.
- To enroll in the study, send an email to Todd Korthuis and the study team at openstudy@ohsu.edu.
- If you need more information or you have questions about the study, please send an email to openstudy@ohsu.edu or call 503-954-8758.
